PROFILE

UI/UX Designer and graphic design generalist with a technical edge — building interfaces that feel considered, systems that scale, and experiences people actually remember. Seeking internship and junior design roles where I can contribute across the full product design lifecycle.

EXPERIENCE

UI/UX Designer — Internship

1 month · 2024

Kristu Jayanti Software Development Centre · Bengaluru

- Designed interfaces for internal software projects under professional mentorship.
- Produced wireframes, high-fidelity mockups and prototypes in Figma with iterative revisions.
- Conducted usability testing sessions and translated feedback into design improvements.

Freelance UI/UX Designer

Ongoing

Independent · Part-time

- Designed intuitive interfaces for web and mobile applications for startup clients.
- Led full design cycles from initial concept and wireframing through to developer handoff.
- Balanced brand requirements with strong usability principles to improve user engagement.

PROJECTS

ZIVE — Capsule Hotel Booking Platform

2025 – 2026

Brand Strategy & UX Design · Figma

- Designed end-to-end brand identity, UX research, and UI system for a Japan micro-stay booking platform.
- Produced competitor audit, three user personas, mood board, and eight pain-point-to-solution mappings.
- Built full visual identity: logo, colour system, typography, and component library in Figma.

SAVEPOINT — Social Platform for Gamers

2024

React Native · Supabase · Figma

- Designed and built end-to-end: real-time notifications, AI-powered trending via Claude API.
- Architected a 6-table PostgreSQL DB, built full design system, and shipped APK via EAS Build.

YouTube Redesign — Conceptual UI/UX Overhaul

2025

Figma · Glassmorphism Design System

- Redesigned core YouTube surfaces: watch page, search, library, Shorts, and navigation system.
- Introduced TV Mode, Collections, Continue Watching rail, and side-panel comments for Shorts.

Portfolio Website

2025 – 2026

HTML · CSS · JavaScript — no frameworks

- Personal portfolio with custom cursor, interactive case study pages, and editorial project archive.

POSITIONS OF RESPONSIBILITY**Event Head — UI/UX Design**

2026

Synchronize 2026, Intra-Collegiate Fest · Kristu Jayanti College

- Led the UI/UX design competition event — oversaw judging criteria, participant briefing, and execution.

Committee Head & Head of Registration

2026

Xactitude '26, Inter-Collegiate Fest · Kristu Jayanti College

- Managed the registration committee end-to-end: participant onboarding, data management, on-ground coordination.
